Adopting Standard for Flanges, Report of Committee Regarding..... 238
ALLEN, J. R., Paper CCCXXXIV, Coefficient of Heat Transmission in Pressed Steel Radiator 86
ALLEN, J. R., Paper CCCXXXVII, Effect of Time in Determining Radiation 112
ALLEN, J. R., Discussion on Car Ventilation 274
ALLEN, J. R., Discussion on Eliminating Noise of Ventilating Machinery 325
ALLEN, J. R., Discussion on Air Ozonation 355
ALLEN, J. R., Discussion on Hydro Electric Power Compared with Steam 389
ALLEN, J. R., Discussion on Tests of Heat Transmission of Direct Radiators 408
Auditing Committee, Report of 48
BARRON, H. J., Discussion on Report on House Heating Boilers..... 206
BARRON, H. J., Discussion on Effect of Time in Determining Radiation. 123
BARRON, H. J., Discussion on Theory of Heating and Ventilating Practice in France 153
BARROWS, MR. G. S., Discussion on Calculating Necessary Amount of Radiation 297
BARROWS, MR. G. S., Discussion on Progress in Gas Heating Industry, 312, 314, 317, 318
BLACKMORE, J. J., Paper CCCLVI, Our Society, Its Aims and Opportunities 392
BLACKMORE, J. J., Discussion on Car Ventilation 275
BLACKMORE, J. J., Discussion on Progress in Gas Heating Science....310-313
BLACKMORE, J. J., Discussion on Elimination of Noise in Ventilating Machinery 329
BLACKMORE, J. J., Discussion on Ventilation of Telephone Booths..... 335
BLACKMORE, J. J., Discussion on Our Society, Its Aims and Opportunities 404
BLACKMORE, J. J., Discussion on Tests of Heat Transmission with Direct Radiators 410
BLACKMORE, J. J., Discussion on Report of Committee on Blower Systems 419
BLACKMORE, J. J., Discussion on Method of Testing Air Washers..... 439
Blower Systems of Heating and Ventilation, Report of Special Committee on, Paper CCCLVIII 412
BOLTON, R. P., Paper CCCLV, Hydro Electric Power Compared with Steam 374

PAGE

Bolton, R. P., Discussion on Progress in Gas Heating Science..... 308
Bolton, R. P., Discussion on Our Society, Its Aims and Opportunities.. 401
Bolton, R. P., Discussion on Life of Building Power Plants 107, 111
Bolton, R. P., Discussion on Effect of Time in Determining Radiation.. 120
Bolton, R. P., Discussion on Flow of Steam in Pipes..... 180
Busey, F. L., Discussion on Report on Use of Pitot Tube..... 214
Busey, F. L., Discussion on Coefficient of Heat Transmission in Pressed Steel Radiator 92
Bushnell, S. M., Discussion on Hydro Electric Power Compared with Steam 389
Braemer, Mr., Discussion on Standard Method of Testing Air Washers.. 432
Canadian Practice in Heating, Paper CCCLIV, N. A. Hill..... 365
Car Ventilation, Paper CCCXLIV, D. I. Cooke..... 253
Carrier, W. H., Discussion on Heat Transmission of Direct Radiators.. 408
Carrier, W. H., Discussion on Method of Testing Air Washers..... 438
Chew, F. K., Discussion on Report on House Heating Boilers..... 205
Chicago Ventilation Commission 441
Charter 445
Coefficient of Heat Transmission in a Pressed Steel Radiator, Paper CCCXXXIV, J. R. Allen 86
Constitution and By-Laws 448
Cooke, D. I., Discussion on Paper, Car Ventilation 275-277
Cooling Two Rooms in a Country Residence, Paper CCCXXXIII, A. M. Feldman 79
Council Report 14
Davis, F. K., Discussion on Report on House Heating Boilers..... 206
Davis, F. K., Discussion on Hydro Electric Power Compared with Steam 388
Davis, F. K., Discussion on Topic, Experience in Heating Concrete Construction 43
Davis, F. K., Discussion on Coefficient of Heat Transmission in Pressed Steel Radiators 91
Davis, F. K., Discussion on Effect of Time in Determining Radiation.. 121
Davis, F. K., Discussion on Flow of Steam in Pipes..... 180
Davis, J. H., Discussion on Paper, Our Society, Its Aims and Opportunities 403
Debesson, G., Paper CCCXXXVIII, Theory and Practice of Heating and Ventilating 124
Donnelly, J. A., Paper CCCXLIX, Suggested Formula for Calculating Amount of Radiation for All Gas Kitchens, Heating by Hot Water..... 294
Donnelly, J. A., Paper CCCLVII, Tests on Heat Transmission of Direct Radiators, etc. 405
Donnelly, J. A., Discussion on Progress in Gas Heating Science..... 311
Donnelly, J. A., Discussion on Report on House Heating Boilers..... 205
Donnelly, J. A., Discussion on Tests on Heat Transmission in Direct Radiators 410
Donnelly, J. A., Discussion on Report of Committee on Blower Systems 420
